

This cross-mixer (also called X-mixer) is used for model submarines with X-rudder (such as type 212) when using pitch controllers not featuring an integrated mixer (such as DoublePitchController LRD, no. 1572).

Can also be used for model tanks.

Easy installation. Just plug 2 wires into corresponding channels of receiver and connect both servos (or pitch controller) to the mixer.

- Dimensions 3 x 15 x 22 mm
- Weight approx. 8 g

**WARNING!** This item is not a toy and therefore not suitable for persons under 16 years of age. Please adhere to your country's safety guidelines during construction and operation of this item. We are not liable for any personal injury or damage of any kind resulting with the assembly and/or use of our products as we are neither able to delegate nor verify the assembly and/or use of these items. 24 Month Limited Warranty : The manufacturer of this unit warrants this product to be free from defects in material and workmanship for a period of 24 (twenty-four) months from date of purchase. During that period, we will repair or replace, at our option, any unit supplied through us that does not meet these standards. You will be required to provide proof of purchase (receipt or invoice). Defects caused by abuse, misuse, or accident, etc. are not covered under this warranty. Under no circumstances will the purchaser be entitled to consequential or incidental damages. If you attempt to disassemble, modify or repair this unit in any way yourself warranty will be void.
